IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In Re Application of:  Tadeush Krusnevyeh and Olexander Piatnychko	Atty. Docket No.: 7704.014
Application No.: 10/673,099	Examiner: Frank M. Lawrence, Jr.
Filing Date: 09/26/2003	Group Art Unit: 1724
Title: CO2 Separator method and apparatus	

Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS

Dear Sirs:

A response to the Notice to File Corrected Application Papers mailed on April 27, 2005, is herein filed within the 30 days allowed for a response. A copy of the Notice is attached.

OATH

In the Notice, Applicant is notified that the Oath submitted on March 31, 2005 is illegible and Applicant is requested to provide a clear copy of the Oath. Attached herein is a clear copy of the Oath (unsigned). An original copy of the signed Oath is unavailable. Please note that the inventors, Tadeush Krusnevyeh and Olexander Piatnychko, both resided in the Ukraine at the time the application was filed and multiple faxes were forwarded for signature as the most efficient manner of receipt of the

documents. Hence, the poor quality of the signed version of the Declaration. In a telephone conference between the primary examiner, Frank Lawrence, and my assistant Mary Vidaurri on May 13, 2005, Mr. Lawrence acknowledged receipt of a third page to the Declaration, wherein the illegible text on page two is clearly shown. Please see attached PRINTER RUSH (PTO Assistance) internal memo with response from Mr. Lawrence, wherein the third page of the Declaration is identified.

#### FEE(S)

It is the undersigned attorney's belief that no fees are currently due.

#### CONCLUSION

It is applicant's belief that the response from primary examiner, Frank Lawrence is sufficient to address the concerns expressed in the Notice to File Corrected Application Papers. Any questions or concerns should be directed to the undersigned attorney.

Respectfully submitted,

---
